

2012 Regional Housing Team Meetings

All locations to be announced. Meeting dates and times are subject to change.

These meetings are comprised of two sessions: one session focuses on housing issues and the other session focuses on using HMIS data for performance improvement. All Balance of State (BoS) Continuum of Care (CoC) funded agencies and agencies enrolled in the HMIS Project are required to attend 75% of these meetings. December meetings are held via conference call.
