

Resource List

United Way 2-1-1 Help Line: 24-hour resource helpline

Resources for basic needs (food, clothing, shelter), health and mental health, counseling, educational resources, childcare referrals, and much more.

Just dial 2-1-1, or visit <http://www.liveunited.org/> or <http://www.211missouri.org/>

HUD Homeless Resource Exchange: <http://www.hudhre.info>

National Center on Family Homelessness: <http://www.familyhomelessness.org>

“America’s Youngest Outcasts: State Report Card on Child Homelessness,” which is a part of the National Center on Family Homelessness’ Campaign to End Child Homelessness. This report shows interactive information from each state regarding housing, education, food security, health, nutrition, and income. There are tips and ideas for advocacy as well as success stories and statistics. <http://www.homelesschildrenamerica.org/index.php>

National Alliance to End Homelessness: Homelessness Prevention and Rapid Re-housing Program (HPRP)

This website has reports about planning and implementing a rapid re-housing program, including program models and funding information.

Funding opportunity: Ameren Corporation Charitable Trust

Each year, the Ameren Corporation Charitable Trust donates millions of dollars to programs in education, services for the youth and elderly, and the environment in the company’s Missouri and Illinois service areas. Corporate contributions come entirely from corporate earnings and are not charged to customers as a business expense. To review guidelines and apply for grants, go to http://www.ameren.com/Community/ADC_BrochureCharitableGivingGuidelines.pdf.

Employment opportunity: 2010 U.S. Census Bureau

In 2010, the U.S. Census Bureau will once again conduct the national census. Thousands of people are needed to fill temporary jobs nationwide for 2010 Census operations. Additional jobs mean additional employment opportunities for low-income individuals and families. Important Census data determines the allocation of government funding. An incomplete count could mean your community does not receive its fair share of funding. Bilingual speakers are encouraged to apply. Find out more at www.census.gov/2010census.

Community Initiatives Coordinators:

Mandy Fangmann: Regions 2, 3, 4, 5 and 10
