

HMIS TipSheet

The Emergency Shelter Grant Report - Part Two

The Emergency Shelter Grant Report

What data is reported under each section of the ESG Report?

(Continued)

Section 2 – Non-Residential Services

This section provides the total number of unsheltered clients receiving financial or legal assistance.

Annual Number of Persons Served

These three (3) values represent

1. Number of adults receiving financial or legal services
2. Number of children receiving services
3. Total of both adults and children.

These values are duplicated. A client is counted for each type of assistance received.

Annual Homeless Prevention Indicators

These values represent:

1. Number of households receiving Emergency Financial Assistance
2. Number of households receiving Emergency Legal Assistance

They are not duplicated.

These values are collected from the Item Table in the Record Assistance module of the ROSIE database. An item will be counted if the Description field contains one of the following character strings:

Emergency Financial Assistance	Emergency Legal Assistance
rent-esg	legal-esg
gas-esg	
water-esg	
electric-esg	
mortgage-esg	
utility-esg	

Remember This!

The character strings above are the correct way to set up your ESG Assistance Provided Categories. If they are not set up that way, they won't be pulled in the report, and your numbers won't be right. If you need any assistance getting these set up properly, please give HMIS

This!

they won't be pulled in the report, and your numbers won't be right. If you need any assistance getting these set up properly, please give HMIS staff a call at (573) 634-2901, or drop us an email.

Section 3 – Ethnicity and Race

This section provides the number of persons served with shelter or prevention assistance who are identified by a specific race in the client record of the ROSIE database.

Annual Number of Persons Served

Each value represents individuals identified by one of the standard race descriptions as defined by HUD. Totals equal both housed and non-residential clients. The count is duplicated; a client receiving both assistance and shelter will be counted twice in the appropriate race type.

Race descriptions include:

1. White
2. Black/African American
3. Asian
4. American Indian/Alaskan Native
5. Native Hawaiian/Other Pacific Islander
6. American Indian/Alaskan Native & White
7. Asian & White
8. Black/African American & White
9. American Indian/Alaskan Native & Black
10. Other Multi-Racial.
