Get Educated on Medicare, Medicaid and Social Security

Before the politicians take them away!

Bob,
There will be a public meeting and educational session with Social Security expert Nancy Altman about the benefits of **Medicare, Medicaid and Social Security**.

*This event is sponsored by MO JwJ Member Org
GRO - Grass Roots Organizing*

The proposed national budget would balance the budget on the expense of working Americans- and has **severe cuts to fundamental safety net programs Medicare, Medicaid and Social Security**, as well as more tax cuts for the extremely wealthy and corporations.

At this meeting we'll be learning the importance of these social programs and plan to defend the programs against cuts proposed in the budget. All Missourians are invited to attend.

The meeting will be led by Nancy Altman, national co-chair of the Social Security Works campaign.

To RSVP for this event, please email Amy Smoucha at 314-608-3917 or amy@mojwj.org. Learn more [on GRO's website](#).
